Little Food Pantry Update

The FMC Little Food Pantry is frequently used, and we are refreshing items at least two or three times a week even during school breaks.

The donations should be new and in small unit sizes (no glass containers).

The most desired items are:

- Canned or foil pouches of tuna or other seafood, chicken, turkey, ham, or other meat
- Shelf-stable plant-based or dairy-based milks
- Small cans of beef stew, heavy soups, or chili
- Canned spaghetti sauce (Meijer carries the cans)
- Small boxes or pouches of muffin mixes (any variety)
- Small units of Mac and Cheese
- Single serving size fruits, vegetables, applesauce, or cereal
- Small containers (16-18 oz) of oatmeal and various nut butters (peanut, almond, Nutella)

In addition, small units of toiletries and household basics are appreciated: soap, lotion, shampoo/conditioner, toothpaste/toothbrushes, deodorant, tampons/pads, dish soap, laundry detergent, razors, etc)

Place your items directly into the Little Food Pantry. If there is no room, place items in the labeled cabinet in the “Coffee and Conversation” room (#13) next to the kitchen. Questions? Contact Bruce Miller.
